

*“If you’ve seen one state payer system, you’ve seen one state payer system.”*

**There are any number of payer models and funding systems. What works in one state, may not be a recognized system in another. However, the essential components of an integrated model have value. Hear from Jeff Howard,**

**Cherokee Health Systems’ CFO, as he describes our model and how Cherokee delivers its model in today’s challenging environment.**

## Placing a VALUE on Integrated Care

- Reduced ER Utilization
- Reduced Inpatient Admissions
- Reduced Specialty Referrals
- Increased Patient Satisfaction
- Increased Primary Care Utilization
- Improved Outcomes
